

ATKINSONS QUALITY LOG CABINS AND SUMMERHOUSES

BEST BUY

FITTING SERVICE AVAILABLE

ONE OF THE LARGEST DISPLAYS OF LOG CABINS AND SUMMERHOUSES IN YORKSHIRE

UNBEATABLE VALUE & QUALITY

Create a luxury hideaway in your garden with a quality log cabin or summerhouse from Atkinsons. All buildings come with fitting kits and full installation instructions. We do, of course, offer a full fitting service by our expert craftsmen and site surveys can be arranged.

All buildings are made from Nordic spruce or pine which is slow grown to provide longevity and durability. Standard features include:

- Pressure Treated Floor Joists
- Tongued And Grooved Floor And Roof (Not Chipboard Or O.S.B)
- High Quality Doors And Windows
- Assembly Kit And Instructions
- Storm Protection
- Felt Or Tiled Roof

Come and visit our show site at South Milford to see the quality of the buildings available and discuss your requirements with our knowledgeable and experienced staff.

NOTICE

There are many companies selling cabins and summer houses on the web, beware! Most of these firms do not have the backup and expertise that we offer. Often prices quoted do not include felt or shingles and the timber is thinner, also the floor and roof are made from chipboard or O.S.B.

All our cabins and summer houses are constructed from solid timber and we have dealt with the same suppliers for 10 years ensuring that you the customer gets the best products at the right prices.

We carry a range of spares, should you need any. All of our sales team have experience in fitting cabins and summer houses and are here to offer you as much help or advice as you may need.

Also you can visit our show sites which are open 7 days a week
