Exceptionally finely crafted outdoor log cabins, ideal for use as home offices, gymnasiums or quiet hideaways.

All cabins come untreated and must be treated with a good quality wood preserver which can be purchased from any of our branches.

\*Price includes delivery up to a 15 mile radius, price on application for beyond this distance.

In the majority of cases planning consent is not required but please contact your local council if in doubt. Please view the government web site [www.communities.gov.uk](http://www.communities.gov.uk) for further planning information.

**Fitting service available - please ask for details.**
